Invincible Summer takes place over the course of several summers, during which the McGill family, not very put together in the first place, completely falls apart, only to reassemble itself entirely out of order, like a tile mosaic made out of pieces that don't quite fit together, in colors that don't quite match.

Invincible Summer is the story of Chase and his family told in parts over four consecutive summers. It's an unusual format, hearing the events that happen to this family from just a few weeks over summer every year but it also makes really good sense as you are reading it.
