My Name Is Red *Vintage*

The Nobel Prize winner and one of today's most prominent contemporary Turkish writers delivers a novel that is a fiendishly devious mystery, a beguiling love story, a brilliant symposium on the power of art, and a "modern classic ... rich and essential" (Los Angeles Times Book Review)—set amid the splendor and

religious intrigue of sixteenth-century Istanbul. The Sultan has commissioned a cadre of the most acclaimed artists in the land to create a great book celebrating the glories of his realm. Their task: to illuminate the work in the European style. But because figurative art can be deemed an affront to Islam, this commission is a dangerous proposition indeed. The ruling elite therefore mustn't know the full scope or nature of the project, and panic erupts when one of the chosen miniaturists disappears. The only clue to the mystery—or crime?—lies in the half-finished illuminations themselves. Part fantasy and part philosophical puzzle, My Name is Red is a kaleidoscopic journey to the intersection of art, religion, love, sex and power. Translated from the Turkish by Erda M Göknar

East, West *Vintage*

From the Booker Prize-winning author of The Satanic Verses comes nine stories that reveal the oceanic distances and the unexpected intimacies between East and West. Daring, extravagant, comical and humane, this book renews Rushdie's stature as a storyteller who can enthrall and instruct us with the same sentence.

Istanbul *Vintage*

From the Nobel Prize winner and acclaimed author of My Name is Red comes a portrait of Istanbul by its foremost writer, revealing the melancholy that comes of living amid the ruins of a lost empire. "Delightful, profound, marvelously origina.... Pamuk tells the story of the city through the eyes of memory." —The Washington Post Book World A shimmering evocation, by turns intimate and panoramic, of one of the world's great cities, by its foremost writer. Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms. His portrait of his city is thus also a self-portrait, refracted by memory and the melancholy—or *hüzün*—that all Istanbulus share. With cinematic fluidity, Pamuk moves from his glamorous, unhappy parents to the gorgeous, decrepit mansions overlooking the Bosphorus; from the dawning of his self-consciousness to the writers and painters—both Turkish and foreign—who would shape his consciousness of his city. Like Joyce's Dublin and Borges' Buenos Aires, Pamuk's Istanbul is a triumphant encounter of place and sensibility, beautifully written and immensely moving.

Birds Without Wings *Vintage Canada*

Birds Without Wings traces the fortunes of one small community in southwest Turkey (Anatolia) in the early part of the last century—a quirky community in which Christian and Muslim lives and traditions have co-existed peacefully over the centuries and where friendship, even love, has transcended religious differences. But with the disintegration of the Ottoman Empire and the onset of the Great War, the sweep of history has a cataclysmic effect on this peaceful place: The great love of Philothei, a Christian girl of legendary beauty, and Ibrahim, a Muslim shepherd who courts her from near infancy, culminates in tragedy and madness; Two inseparable childhood friends who grow up playing in the hills above the town suddenly find themselves on opposite sides of the bloody struggle; and Rustem Bey, a wealthy landlord, who has an enchanting mistress who is not what she seems. Far away from these small lives, a man of destiny who will come to be known as Mustafa Kemal Atatürk is emerging to create a country from the ruins of an empire. Victory at Gallipoli fails to save the Ottomans from ultimate defeat and, as a new conflict arises, Muslims and Christians struggle to survive, let alone understand, their part in the great tragedy that will reshape the whole region forever.

My Name Is Red River

The White Castle *Penguin UK*

In the seventeenth century, a young Italian scholar sailing from Venice to Naples is taken prisoner and delivered to Constantinople, into the custody of a scholar known as Hoja—‘master’—a man who is his exact double. Hoja wonders, given the knowledge of each other’s most intimate secrets, if they could actually exchange identities. Set in a world of magnificent scholarship and terrifying savagery, *The White Castle* is a colourful and intricately patterned triumph of the imagination.

The Naive and the Sentimental Novelist *Vintage*

From the Nobel Prize-winning novelist and the acclaimed author of *My Name Is Red*—an inspired, thoughtful, and deeply personal book of essays about reading and writing novels. In this fascinating set of essays, based on the talks he delivered at Harvard University as part of the distinguished Norton Lecture series, Pamuk presents a comprehensive and provocative theory of the novel and the experience of reading. Drawing on Friedrich Schiller’s famous distinction between “naïve” writers—those who write spontaneously—and “sentimental” writers—those who are reflective and aware—Pamuk reveals two unique ways of processing and composing the written word. He takes us through his own literary journey and the beloved novels of his youth to describe the singular experience of reading. Unique, nuanced, and passionate, this book will be beloved by readers and writers alike.

A Strangeness in My Mind *Penguin UK*

Since his boyhood in a poor village in Central Anatolia, Mevlut Karatas has fantasized about what his life would become. Not getting as far in school as he’d hoped, at the age of twelve, he comes to Istanbul—"the center of the world"—and is immediately enthralled both by the city being demolished and the new one that is fast being built. He follows his father’s trade, selling boza on the street, and hopes to become rich like other villagers who have settled on the desolate hills outside the booming metropolis. But chance seems to conspire against him. He spends three years writing love letters to a girl he saw just once at a wedding, only to elope by mistake with her sister. And though he grows to cherish his wife and the family they have, his relations all make their fortunes while his own years are spent in a series of jobs leading nowhere; he is sometimes attracted to the politics of his friends and intermittently to the lodge of a religious guide. But every evening, without fail, he still wanders the streets of Istanbul, selling boza and wondering at the "strangeness" in his mind, the sensation that makes him feel different from everyone else, until fortune conspires once more to let him understand at last what it is he has always yearned for. Told from the perspectives of many beguiling characters, *A Strangeness in My Mind* is a modern epic of coming of age in a great city, and a mesmerizing narrative sure to take its place among Pamuk’s finest achievements.

The Black Book *Faber & Faber*

The Black Book is Orhan Pamuk’s tour de force, a stunning tapestry of Middle Eastern and Islamic culture which confirmed his reputation as a writer of international stature. Richly atmospheric and Rabelaisian in scope, it is a labyrinthine novel suffused with the sights, sounds and scents of Istanbul, an unforgettable evocation of the city where East meets West, and a boldly unconventional mystery that plumbs the elusive nature of identity, fiction, interpretation and reality.

Narcissistic Narrative *Wilfrid Laurier Univ. Press*

Linda Hutcheon, in this original study, examines the modes, forms and techniques of narcissistic fiction, that is, fiction which includes within itself some sort of commentary on its own narrative and/or linguistic nature. Her analysis is further extended to discuss the implications of such a development for both the theory of the novel and reading theory. Having placed this phenomenon in its historical context Linda Hutcheon uses the insights of various reader-response theories to explore the “paradox” created by metafiction: the reader is, at the same time, co-creator of the self-reflexive text and distanced from it because of its very self-reflexiveness. She illustrates her analysis through the works of novelists such as Fowles, Barth, Nabokov, Calvino, Borges, Carpentier, and Aquin. For the paperback edition of this important book a preface has been added which examines developments since first publication. *Narcissistic Narrative* was selected by Choice as one of the outstanding academic books for 1981–1982.

The Girl Who Reads on the Métro *Flatiron Books*

“With a cast of characters reminiscent of the French film *Amélie*, Féret-Fleury creates a world that is delightful and enchanting...Light and sweet as a bonbon, this little confection of a book is delicious.” —Kirkus Reviews For fans of *Amélie* and *The Little Paris Bookshop*, a modern fairytale about a French woman whose life is turned upside down when she meets a reclusive bookseller and his young daughter. Juliette leads a perfectly ordinary life in Paris, working a slow office job, dating a string of not-quite-right men, and fighting off melancholy. The only bright spots in her day are her métro rides across the city and the stories she dreams up about the strangers reading books across from her: the old lady, the math student, the amateur ornithologist, the woman in love, the girl who always tears up at page 247. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a book. Unable to resist, Juliette walks through, into the bizarre and enchanting lives of Soliman and his young daughter, Zaide. Before she realizes entirely what is happening, Juliette agrees to become a passeur, Soliman’s name for the booksellers he hires to take stacks of used books out of his store and into the world, using their imagination and intuition to match books with readers. Suddenly, Juliette’s daydreaming becomes her reality, and when Soliman asks her to move in to their store to take care of Zaide while he goes away, she has to decide if she is ready to throw herself headfirst into this new life. Big-hearted, funny, and gloriously zany, *The Girl Who Reads on the Métro* is a delayed coming-of-age story about a young woman who dares to change her life, and a celebration of the power of books to unite us all.

The Fairy Tales of Hermann Hesse *Bantam*

A collection of twenty-two fairy tales by the Nobel Prize-winning novelist, most translated into English for the first time, show the influence of German Romanticism, psychoanalysis, and Eastern religion on his development as an author.

Autobiography of Red *Vintage*

The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens

of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, *Autobiography of Red* is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the most exciting poet writing in English today." --Michael Ondaatje "This book is amazing--I haven't discovered any writing in years so marvelously disturbing." --Alice Munro "A profound love story . . . sensuous and funny, poignant, musical and tender." --The New York Times Book Review "A deeply odd and immensely engaging book. . . . [Carson] exposes with passionate force the mythic underlying the explosive everyday." --The Village Voice

Silent House *Knopf Canada*

In an old mansion in Cennethisar (formerly a fishing village, now a posh resort near Istanbul) the old widow Fatma awaits the annual summer visit of her grandchildren: Faruk, a dissipated failed historian; his sensitive leftist sister, Nilgun; and the younger grandson, Metin, a high school student drawn to the fast life of the nouveaux riches, who dreams of going to America. The widow has lived in the village for decades, ever since her husband, an idealistic young doctor, first arrived to serve the poor fishermen. Now mostly bedridden, she is attended by her faithful servant Recep, a dwarf--and the doctor's illegitimate son. Mistress and servant share memories, and grievances, of those early years. But it is Recep's cousin Hassan, a high school dropout, and fervent right-wing nationalist, who will draw the visiting family into the growing political cataclysm, in this spell-binding novel depicting Turkey's tumultuous century-long struggle for modernity. Translated by Robert Finn

Orhan Pamuk, Secularism and Blasphemy *Routledge*

Orhan Pamuk, *Secularism and Blasphemy* is the first critical study of all of Pamuk's novels, including the early untranslated work. In 2005 Orhan Pamuk was charged with "insulting Turkishness" under Article 301 of the Turkish penal code. Eighteen months later he was awarded the Nobel Prize. After decades of criticism for wielding a depoliticized pen, Pamuk was cast as a dissident through his trial, an event that underscored his transformation from national literateur to global author. By contextualizing Pamuk's fiction into the Turkish tradition and by defining the literary and political intersections of his work, Orhan Pamuk, *Secularism and Blasphemy* rereads Pamuk's dissidence as a factor of the form of his novels. This is not a traditional study of literature, but a book that turns to literature to ask larger questions about recent transformations in Turkish history, identity, modernity, and collective memory. As a corrective to common misreadings of Pamuk's work in its international reception, Orhan Pamuk, *Secularism and Blasphemy* applies various analytical lenses to the politics of the Turkish novel, including gender studies, cultural translation, historiography, and Islam. The book argues that modern literature that confronts representations of the nation-state, or devlet, with those of Ottoman, Islamic, and Sufi contexts, or din, constitute "secular blasphemies" that redefine the politics of the Turkish novel. Concluding with a meditation on conditions of "untranslatability" in Turkish literature, this study provides a comprehensive and critical analysis of Pamuk's novels to date.

Other Colors *Vintage Canada*

Knopf Canada is proud to welcome Orhan Pamuk to the list with an inspiring and engaging collection of essays on literary and personal subjects--his first new book since winning the Nobel Prize. In the three decades that Pamuk has devoted to writing fiction, he has also produced scores of witty, moving and provocative essays and articles. Here is a thoughtful compilation of a dazzling novelist's best non-fiction, offering different perspectives on his lifelong obsessions. Pamuk's criticism, autobiographical writing and meditations are presented alongside interviews he has given and selections from his private notebooks. He engages the work of other novelists, including Sterne and Dostoyevsky, Salman Rushdie and Patricia Highsmith, and he discusses his own books and writing process. We learn not just how he writes but how he lives as he recounts his successful struggle to quit smoking and describes his relationship with his daughter. Ordinary events--applying for a passport, the death of a relative--inspire extraordinary flights of association as the novelist reflects on everything from the child's state of being to divergent attitudes towards art in the East and West. Illustrated with photographs, paintings and the author's own sketches, *Other Colors* gives us Orhan Pamuk's world through a kaleidoscope whose brilliant, shifting themes and moods together become a radiant and meaningful whole.

My Name is Red by Orhan Pamuk (Book Analysis)

The Museum of Innocence *Faber & Faber*

The Museum of Innocence - set in Istanbul between 1975 and

today - tells the story of Kemal, the son of one of Istanbul's richest families, and of his obsessive love for a poor and distant relation, the beautiful Fusun, who is a shop-girl in a small boutique. In his romantic pursuit of Fusun over the next eight years, Kemal compulsively amasses a collection of objects that chronicles his lovelorn progress-a museum that is both a map of a society and of his heart. The novel depicts a panoramic view of life in Istanbul as it chronicles this long, obsessive love affair; and Pamuk beautifully captures the identity crisis experienced by Istanbul's upper classes that find themselves caught between traditional and westernised ways of being. Orhan Pamuk's first novel since winning the Nobel Prize is a stirring love story and exploration of the nature of romance. Pamuk built The Museum of Innocence in the house in which his hero's fictional family lived, to display Kemal's strange collection of objects associated with Fusun and their relationship. The house opened to the public in 2012 in the Beyoglu district of Istanbul. 'Pamuk has created a work concerning romantic love worthy to stand in the company of Lolita, Madame Bovary and Anna Karenina.' --Financial Times

The Red and the Black Phoemixx Classics Ebooks

The Red and the Black Stendhal - First published in 1830, The Red and the Black, is widely considered the masterpiece of 19th

century French author Marie-Henri Beyle, known more commonly by his pen name, Stendahl. It follows the ambitions of Julien Sorel, a young man raised in the French countryside who wishes to rise above his provincial station by climbing the social ranks of Parisian society. Through a series of events, Julien's talent and hard work give way to deception and hypocrisy when he realizes the limitations for advancement of a sincere and honest man of humble origins. Although Julien achieves much which he aspires to, ultimately his pride gets the better of him when he commits a violent crime of passion, leading to his tragic downfall. Through the deep psychological introspection of Julien we see Stendhal's unique literary genius, the remarkable way in which he allows readers to live in the minds of his characters. Set against the backdrop of the July Revolution of 1830, The Red and the Black is a narrative which embodies the rich social conflict of that time. This edition is translated with an introduction by Horace B. Samuel.

The Red Room *Lindhardt og Ringhof*

Arvid Falk is a young and idealistic government worker who always wanted to be a poet. When a journalist writes a newspaper exposé based on Arvid's stories about his useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the Swedish society, and the hypocrisy and corruption he finds shocks him. Walking the streets of Stockholm will never be the same again once this novel gets under your skin. Named the first modern Swedish novel, 'The Red Room' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential authors of Scandinavia.

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read!
