Skills & Values: Discovery Practice

LexisNexis

Skills & Values: Discovery Practice is designed to serve as an introduction to the practical application of the discovery rules. The book and the companion Web Course introduce each discovery topic briefly and then provide a context and structure for exercises and self-study. Skills & Values: Discovery Practice can be used by a professor teaching a full pre-trial course, or one focused just on discovery law. It can be used alone or in conjunction with another pre-trial text. It can be used with the problem set provided in the appendix and in the Web Course or with a professor's own problem set. It also can be used in a mentorship program in a civil litigation law firm. Each chapter of the book offers an introduction to the key aspects of

discovery and then offers exercises that focus on the governing Federal Rule of Civil Procedure (FRCP). The chapters are organized in the order that the discovery rules are most commonly used. The exercises at the end of each chapter ask the student to put the governing rules into action by actually drafting the discovery documents described in the preceding chapter. The book covers the following topics: • Planning for Discovery • Initial Disclosure • Interrogatories and Answers to Interrogatories • Document Requests and Answers to Document Requests • eDiscovery • Motion to Compel Production • Expert Witness Disclosure • Depositions of Fact and Expert Witnesses • Requests for Admission and Answers to Requests for Admission • Motion in limine •

The PTSD Workbook

Simple, Effective Techniques for Overcoming Traumatic Stress Symptoms *New Harbinger Publications*

Post-traumatic stress disorder (PTSD) is an extremely debilitating anxiety

condition that can occur after exposure to a terrifying event or ordeal. Although many know that this mental health issue affects veterans of war, many may not know that it also affects victims of domestic violence, sexual violence, natural disasters, crime, car accidents and accidents in the workplace. No matter the cause of their illness, people with PTSD will often relive their traumatic experience in the form of flashbacks, memories, nightmares, and frightening thoughts. This is especially true when they are exposed to events or objects that remind them of their trauma. Left untreated, PTSD can lead to emotional numbness, insomnia, addiction, anxiety, depression, and even suicide. In The PTSD Workbook, Second Edition, psychologists and trauma

experts Mary Beth Williams and Soili Poijula outline techniques and interventions used by PTSD experts from around the world to offer trauma survivors the most effective tools available to conquer their most distressing trauma-related symptoms, whether they are a veteran, a rape survivor, or a crime victim. Based in cognitive behavioral therapy (CBT), the book is extremely accessible and easy-to-use, offering evidence-based therapy at a low cost. This new edition features chapters focusing on veterans with PTSD, the link between cortisol and adrenaline and its role in PTSD and overall mental health, and the mind-body component of PTSD. This book is designed to arm PTSD survivors with the emotional resilience they need to get

their lives back together after a traumatic event.

Intellectual Property

Law & the Information Society; Cases & Materials; an Open Casebook: 3rd Edition 2016 *Createspace Independent Publishing Platform*

Intellectual Property: Law & the Information Society - Cases & Materials 3rd edition (2016). This Open Coursebook is an introduction to intellectual property law, the set of private legal rights that allows individuals and corporations to control intangible creations and marks-from logos to novels to drug formulae -and the exceptions and limitations that define those rights. It focuses on the three main forms of US federal intellectual property-trademark, copyright and patent, with a new chapter on Federal and state trade secret protection-but many of the ideas discussed here apply far beyond those legal areas and far beyond the law of the United States. The book is intended to be a textbook for the basic Intellectual

Property class, but because it is an Open Coursebook, which can be freely edited, customized, copied and shared, it is also suitable for undergraduate classes, or for a business, library studies, communications or other graduate school class. A free downloadable version can be found at the Duke Center for the Study of the Public Domain website. Each chapter contains an clear introduction to the field, cases and secondary readings illustrating the structure and conflicts in the theory and doctrine of intellectual property, followed by questions to test the student's understanding. Every chapter is built around a set of problems or role-playing exercises involving the material. The problems range from a video of the Napster oral argument, with the

students asked to take the place of the lawyers, to exercises counseling clients about how search engines and trademarks interact, to discussions of the First Amendment's application to Digital Rights Management or the Supreme Court's new rulings on gene patents. The readings include writers as diverse as John Locke, Mark Twain, Victor Hugo, Thomas Babington Macaulay and John Perry Barlow, former lyricist for the Grateful Dead. This edition is current as of August 2016. It includes discussions of such issues as the Redskins' trademark cancellation and the recent constitutional challenges to it, the Google Books case, the America Invents Act's changes to patent law, and the 2016 Defend Trade Secrets Act which created a new Federal trade

secrecy cause of action. It is designed to be used with Boyle & Jenkins, Intellectual Property: Selected Statutes and Treaties, 2016 Edition, which is also available both as a freely downloadable Open Coursebook and a high quality, low-cost paperback. About the Authors James Boyle is William Neal Reynolds Professor of Law at Duke Law School and the former Chairman of the Board of Creative Commons. His other books include The Public Domain: Enclosing the Commons of the Mind Jennifer Jenkins is Senior Lecturing Fellow at Duke Law School and the Director of the Center for the Study of the Public Domain. Her recent articles include In Ambiguous Battle: The Promise (and Pathos) of Public Domain Day, and Last Sale? Libraries' Rights in the Digital Age.
