Consequential Strangers

Consequential strangers are personal connections other than family and close friends. Also known as "peripheral" or "weak" ties, they lie in the broad social territory between strangers and intimates. The term was coined by Karen L. Fingerman and further developed by Melinda Blau, who collaborated with the psychologist to explore and popularize the concept.

Consequential Strangers: Turning Everyday Encounters into ...

"Consequential Strangers" has a pretty interesting premise, and was heavily researched and well thought out. However, it probably could have been shorter and reached the same conclusions. It says what we probably already know intuitively: that a person is even more happy, healthy and satisfied with life if he knows and interfaces with a myriad of people every week.
