Write It Down, Make It Happen

Knowing What You Want - And Getting It! *Simon and Schuster*

Too often, people drift through life with a feeling of frustration, longing to find some adventure or purpose in life, envious of those whose lives seem exciting. In WRITE IT DOWN, MAKE IT HAPPEN, Henriette Anne Klauser shows you how to write your own lifescrypt. Simply writing down your goals in life is the first step towards achieving them. The 'writing it down' part is not about time management; it is not a 'to-do today' list that will make you feel guilty if you don't get everything done. Rather, writing it down is about clearing your head, identifying what you want and setting your intent. You

can 'make it happen' purely by believing in the possibility. In WRITE IT DOWN, MAKE IT HAPPEN, there are stories from ordinary people who witnessed miracles large and small unfold in their lives after they performed the basic act of putting their goals on paper.

Write This Down *Farrar, Straus and Giroux (BYR)*

Twelve-year-old Autumn loves to write, and she can't wait to grow up and be a published author. She finds inspiration all around her, but especially in Cameron, the dreamy boy in her journalism class who she has a major crush on. When her older brother Hunter makes fun of one of her most personal poems—about Cameron—Autumn decides to prove that she is talented enough to become a published author. But when her essay about Hunter wins a contest, and her dream of being published is finally within reach, Autumn has to decide whether being a real writer is worth the cost of sharing her family's secrets and hurting people she loves. This touching story is sure to resonate with readers, and prove that the heart is mightier than the pen. A Margaret Ferguson Book

If You Didn't Write It Down, It Never Happened!

Developing Critical EMS Reporting Skills for Paramedics and EMTs

Designed to shine a light on one of the most frequently overlooked skills in a first responders toolbox, the critical ability to write a strong, accurate and detailed EMS report. If You Didn't Write It Down, It Never Happened, is a deep dive into EMS documentation. This book details the essential need for both the paramedic and the EMT to gather the necessary information that is going to be required to produce this vital piece of legal documentation. Different approaches to style and format are looked at, as well as examples for each are included in this book. Also covered is a section addressing many of the medical and trauma calls you might respond to along with a list of details and questions you may want to consider documenting somewhere in your report. In addition, you will learn who the various professionals are that will be reading your report once it's been submitted. From the ER physician who you'll turn your patient over to, to the QI officer who is looking to improve and develop protocols and standards, all the way to your billing department, who are looking to get the skills and service you provided reimbursed. You will learn what specific information each will be looking for and exactly how your patient care report will benefit not only your patient, but also you the provider and your profession as a whole. After reading this book, you will never again take your EMS documentation for granted.

Writing Down the Bones

Freeing the Writer Within *Shambhala Publications*

For more than thirty years Natalie Goldberg has been challenging and cheering on writers with her books and workshops. In her groundbreaking first book, she brings together Zen meditation and writing in a new way. Writing practice, as she calls it, is no different from other forms of Zen practice—"it is backed by two thousand years of studying the mind." This thirtieth-anniversary edition includes new forewords by Julia Cameron and Bill Addison. It also includes a new preface in which Goldberg reflects on the enduring quality of the teachings here. She writes, "What have I learned about writing over these thirty years? I've written fourteen books, and it's the practice here in Bones that is the foundation, sustaining and building my writing voice, that keeps me honest, teaches me how to endure the hard times and how to drop below discursive thinking, to taste the real meat of our minds and the life around us."

The Giving Tree *Harper Collins*

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

Bird by Bird

Some Instructions on Writing and Life *Anchor*
An essential volume for generations of writers young and old, Bird by Bird is a modern classic. This twenty-fifth anniversary edition will continue to spark creative minds for years to come. For a quarter century, more than a million readers—scribes and scribblers of all ages and abilities—have been inspired by Anne Lamott's hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne's father—also a writer—in the iconic passage that gives the book its title: “Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he'd had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother's shoulder, and said, ‘Bird by bird, buddy. Just take it bird by bird.’”

The Diary of a Young Girl *Anchor*
THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Education of an Idealist

A Memoir *HarperCollins*
A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER An intimate, powerful, and galvanizing memoir by Pulitzer Prize winner, human rights advocate, and former US Ambassador to the UN Samantha Power. Named one of the best books of the year: The New York Times • National Public Radio • Time • The Economist • The Washington Post • Vanity Fair • Christian Science Monitor • Publishers Weekly • Audible “Her highly personal and reflective memoir . . . is a must-read for anyone who cares about our role in a changing world.”—President Barack Obama Includes an updated afterword Tracing her distinctly American journey from immigrant to war correspondent to presidential Cabinet official, Samantha Power's acclaimed memoir is a unique blend of suspenseful storytelling, vivid character portraits, and shrewd political insight. After her critiques of US foreign policy caught the eye of Senator Barack Obama, he invited her to work with him on Capitol Hill and then on his presidential campaign. When Obama won the presidency, Power went from being an activist outsider to serving as his human rights adviser and, in 2013, becoming the youngest-ever US Ambassador to the United Nations. Power transports us from her childhood in Dublin to the streets of war-torn Bosnia to the White House Situation Room and the world of high-stakes diplomacy, offering a compelling and deeply honest look at navigating the halls of power while trying to put one's ideals into practice. Along the way, she lays bare the searing battles and defining moments of her life, shows how she juggled the demands of a 24/7 national security job with raising two young children, and makes the case for how we each can advance the cause of human dignity. This is an unforgettable account of the power of idealism—and of one person's fierce determination to make a difference. “This is a wonderful book. [...] The interweaving of Power's personal story, family story, diplomatic history and moral arguments is executed seamlessly and with unblinking honesty.”—THOMAS L. FRIEDMAN, The New York Times Book Review “Truly engrossing...A pleasure to read.”—RACHEL MADDOW “A beautiful memoir about the times we're living in and the questions we must ask ourselves...I honestly couldn't put it down.” —CHERYL STRAYED, author of Wild “Power's compelling memoir provides critically important insights we should all understand as we face some of the most vexing issues

of our time.” —BRYAN STEVENSON, author of Just Mercy

Scripting the Life You Want

Manifest Your Dreams with Just Pen and Paper *Simon and Schuster*

A step-by-step guide to the process of “scripting” your future and successfully manifesting what you want in life • Explores the science behind how the scripting method works and shares the vivid journal entries from the author’s big breakthrough--when he successfully used his method to land a lead role on a TV show • Details how the understanding of incredible new (and, until now, mostly unheard of) scientific discoveries and emerging technologies is the most important key to creating and manifesting in your life • Reveals fun, easy tools for manifesting and self-help, updated for a new generation In this step-by-step guide, filled with success stories and practical exercises, Royce Christyn details a simple “scripting” process for harnessing the Law of Attraction and manifesting what you want in your life--happiness, wealth, travel, love, health, the perfect career, or simply a productive day. The process is backed by science and experience, yet it feels like magic. And all you need is a pen and paper. Inspired by New Thought and Positive Thinking classics, Christyn explains how he developed his scripting method through 4 years of trial and error, keeping what worked and dropping what didn’t until he brought his success rate from 5% to nearly 100%. Sharing pages from his own journals, he outlines how to create the life you want with daily journaling exercises, beginning with a simple list-making practice to figure out your wants and intentions and then progressing to actual scripting of your future, whether the next 12 hours or the next 10 days. He shows how, over time, your scripts will increase in accuracy until they converge with reality. He shares the vivid entries from his big breakthrough--when he successfully used his method to land a lead guest-starring role on Disney Channel’s Wizards of Waverly Place with Selena Gomez. He explores how “feeling” your future success as you write your daily scripts helps attract your desired outcomes, and he shares the key phrases to include to make your script come true. The author also explores the science behind how the scripting method works, including a down-to-earth examination of quantum mechanics. From small dreams to lifelong goals, this book gives you the tools to put your thoughts into action and finally close the gap between where you are and where you want to be in your life.

Atomic Habits

An Easy & Proven Way to Build Good Habits & Break Bad Ones *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Beautiful Malice *Faber & Faber*

So. Were you glad, deep down? Were you glad to be rid of her? Your perfect sister? Were you secretly glad when she was killed? Following a horrific tragedy that leaves her once perfect family devastated, Katherine Patterson moves to a new city, starts at a new school, and looks forward to a new life of quiet anonymity. But when Katherine meets the gregarious and beautiful Alice Parrie her resolution to live a solitary life becomes difficult. Katherine is unable resist the flattering attention that Alice pays her and is so charmed by Alice's contagious enthusiasm that the two girls soon become firm friends. Alice's joie de vivre is transformative; it helps Katherine forget her painful past and slowly, tentatively, Katherine allows herself to start enjoying life again. But being friends with Alice is complicated - and as Katherine gets to know her better she discovers that although Alice can be charming and generous she can also be selfish and egocentric. Sometimes, even, Alice is cruel. And when Katherine starts to wonder if Alice is really the kind of person she wants as a friend, she discovers something else about Alice - she doesn't like being cast off. Shocking and utterly absorbing, Rebecca James's strong narrative will grip readers from the very first page. BEAUTIFUL MALICE has become a publishing phenomenon, sparking numerous auctions worldwide, selling to 27 countries, and launching a previously unknown writer into the centre of the international book market.
