A universal history is a work aiming at
the presentation of a history of all of
mankind as a whole, coherent unit. A
universal chronicle or world chronicle
typically traces history from the
beginning of written information about
the past up to the present. Therefore,
any work classed as such purportedly
attempts to embrace the events of all
times and nations in so far as scientific
treatment of them is possible. Universal
history in the Western tradition is
commonly divided into three parts, viz

Outline Of Universal History Volume 2

The Outline of History, subtitled either "The Whole Story of Man" or "Being a Plain History of Life and Mankind", is a work by H. G. Wells chronicling the history of the world from the origin of the Earth to the First World War. It appeared in an illustrated version of 24 fortnightly installments beginning on 22 November 1919 and was published as a single volume in 1920.

The Outline of History - Wikipedia

THIS Outline of History is an attempt to tell, truly and clearly, in one continuous narrative, the whole story of life and mankind so far as it is known to-day. It is

written plainly for the general reader, but its aim goes beyond its use as merely interesting reading matter. There is a feeling abroad that the teaching of history considered as a part of general education is in an ...
