All About The Presidents Search

The president of the United States is the head of state and head of government of the United States, indirectly elected to a 4-year term by the people through the Electoral College. The officeholder leads the executive branch of the federal government and is the commander-in-chief of the United States Armed Forces. Since the office was established in 1789, there have been 45 presidencies, while 44 men have served as president. The first, George Washington, won a unanimous vote of the Electoral C

Only two presidents, James Garfield and Lyndon Johnson were school teachers before becoming president, although many went on to teach at universities after their tenure.. To date, 45 individuals have undertaken this role and responsibility. Following is a list of the American presidents, their terms in office, and political affiliations.

A List Of All The United States Presidents - WorldAtlas

Donald Trump is the 45th President of the United States of America. However, only 44 men have served as president. This is because presidents are numbered by their continuous terms in office. Grover Cleveland, who won two non-consecutive terms in 1884 and 1892, is therefore the 22nd and 24th president.
