The biggest problem with Trump is not bad policies. These come and go and can be corrected. The problem is the undermining of the rule of law. This is a slippery concept, but essentially boils down to leaders not using their power for their own benefit. It is held together as much by norms as by rules. Trump breaks the norms, which may never ...

2) Go to apkpure.com, search for the Kindle app, and you'll be presented with a great variety of choices, all representing different vintages of the same app. I chose one from June 2020, two months ago, well before my problems started. Click to download, click to install, and voila. Problem solved. I hope this works for you too.

Steven Landsburg | The Big Questions: Tackling the ...

"The Big Questions is a funky book, like an intellectual roller coaster ride through some of the most fascinating ideas in science, math and economics. These are the ideas, says the author - a University of Rochester professor of economics - that unlock the most

perplexing mysteries in philosophy and life, in general.

The Big Questions: Tackling the Problems of Philosophy ...

The problem was the rush to publish. Short-cuts were taken which sacrificed accuracy for speed. With hindsight, we can see this was a wrong choice. These were in no way phony papers, but they should not have been published without the checks. Overall, we have 2 retracted papers with positive outcomes from HQ and one with negative outcomes.

A Tale of Two Universes - The Big Questions: Tackling the ...

The fact that it's so evenly distributed is a

big part of why it's so scary. 5) It seems to me that until 2016, the Republicans were, by and large (and with frequent and significant exceptions), more faithful stewards of liberalism than the Democrats were.
