The Misbegotten

Katherine Webb

The Misbegotten by Katherine Webb is set in the city of Bath in the south of England and begins in 1803 when a small child is found walking alone from the nearby marshes. Alice, a good-hearted Captivating, delightfully compelling, and just plain fun!

The Misbegotten by Katherine Webb - Goodreads

Katherine Webb was born in 1977 and grew up in rural Hampshire before reading History at Durham University. She has since spent time living in London and Venice, and now lives in rural Wiltshire. Having worked as a waitress, au pair, personal assistant, book binder, library assistant, seller of fairy costumes and

housekeeper, she now writes full time.

Katherine Webb is a superb story-teller, particularly strong on character. No-one can surpass Ms Webb in the creation of such vivid and plausible fictional characters. I don't think 'The Misbegotten' is quite as good as Ms Webb's 'The Unseen' which I also reviewed and gave five stars. The plot isn't quite so engaging and original.
