Annual Meeting 2019: Migration, Agriculture and Rural ...

The world is now a global village with the invention of new technologies. However, the physical migration of people is still inevitable and it is necessary for rural community's development. There are several reasons while people migrate, like economic reasons, ecological reasons, educational reasons etc.

Impact Of Rural Migration On Community Development

The negative impact of rural development aid on out-migration to developed countries follows two pathways. First, rural development aid may lead to greater agricultural production and accompanying employment upticks in rural areas.
