The Environmental Imperative Eco Social Concerns For ...

Eco-social work (also referred to as environmental / ecological social work) is a sub-field of social work that focuses on the systemic, symbiotic relationship that exists between all living organisms and ecological systems on the planet Earth (references 1, 2, 3, 4, 5). The usage of the term 'eco-social' is included within 'eco-social work' in order to describe the symbiotic, systemic nature of the social justice issues central to this specific field of inquiry.

What is Eco Social Work? | ecosocialwork

Introduction. The goal of this SNSF Sinergia project is to research the way twentieth and twenty-first century cultural products respond to the ethical demands the ecological crisis places on our society and how this manifests in the formats that mediate these demands. Examples of these cultural mediations are part of a growing consciousness about the image politics of climate change and the role of cultural sustainability or examined according to the principles of contemporary eco ...

Mediating the Ecological Imperative - SNSF Sinergia 2021-2024

A diagram of the three-personal, economic, and ecological imperatives-form concentric circles where one can include the other but not move beyond its own boundaries: A person operating from a personal imperative is unlikely to care much about economic arguments unless they relate to him or her personally.
