Multilingualism, Literacy and Dyslexia: Breaking down ...

Multilingualism and Dyslexia. There are many concerns for the trainee classroom teacher, and dyslexia in the multilingual population is usually not high up on the priority list. It is often perceived as being too difficult to identify and provide support for these children. But this need not be the case. This article will attempt to show that the issues are not as complicated as many claim, and that it is easy to provide some level of support in the mainstream classroom.

PDF»» Multilingualism, Literacy and Dyslexia: Breaking down ...

Dyslexia, languages and multilingualism, edited by Professor John Everatt. This book comprises chapters written by UK-based researchers/practitioners aimed at increasing our understanding of issues related to dyslexia in children who have English as an additional language. Although UK focused, the material covers challenges of identification and methods of support that should be informative to a world-wide readership and should prove a valuable resource for those working in the area.
