Harris Analytical Chemistry Solutions Manual

This solutions manual for Dan Harris' ninth edition of Quantitative Chemical Analysis sets a high standard as it provides a comprehensive physical understanding of the principles behind analytical chemistry and their applications within their various disciplines.

Quantitative Chemical Analysis 9th Edition Solutions ...

For the most part this solutions manual provides sufficiently detailed explanations and solutions as to allow anyone to understand the problem. A few solutions make assumptions of what the reader knows which are not necessarily warranted or do not fully explain in words the process that is shown, but these are in the minority by far, and can be ameliorated with some additional references to the textbook as needed.

Exploring Chemical Analysis, 5th Edition | Macmillan ...

In the second semester, I conducted a head-to-head competition with students reading a chapter on the same material from both Harris and from Skoog. The overwhelming student preference was for Harris and I have used it in my classes ever since. Readers who don't like Harris aren't going to be happy with any analytical chemistry textbook.
