Suzuki G10(Swift/geo)
Engine In Mini? -
posted in Suzuki: Hi all,
I have been thinking of
a g10 engine for my

mini. I know they only make 50 odd horse, but if it cruises at 75-80 on motorway and does 50mpg that would be fine. I have picked up an auto subframe, as

they are a bit wider than the manual ones. Has anyone done this? I don't want to cut the inner wings off, as mine are rot free (yes - really!).
