Until We Meet Again

From R. Clift comes so intimately a collection of memories, a snapshot of her heart, like nothing she has ever written or shared before. A travel memoir written in poetry, of backpacking through Europe in the

summer of 2019. Filled with daily poem entries, imperfect polaroids, never-to-be-sent postcards, and 3-hour-train-ride illustrations all pulled from the pages of her journals. This memoir began as a personal challenge, whatever her next trip was- she would write a poem a day. Would she see growth? Would they be more about the place or about how she was feeling? What would she discover? She didn't know. But she wanted to find out. So, she wrote all through Spain, Italy, Greece, and England. When her last poem ended with the line 'until we meet again' she knew this endeavor had become bigger than herself. For a while, the poems sat unread, and she wasn't sure if they ever would

be. She was afraid to share these words at first, afraid it was too real, messy, raw, flawed- until she realized that is the very reason it should be shared. If you have found this book, it's for a reason. This book is for anyone who has ever felt lost within themselves. For the runaway broken hearts looking for a place to heal, to rest, and to become whole again. For the travelers plagued by wanderlust, who know all too well that one can still ache even in the most beautiful cities on Earth. She can only hope that through her story you might come closer to courage- to let go of what burdens your heart.

@r.cliftpoetry First published in November 2019, this second

edition now being published in May 2021 has been revised and expanded to add over 70 new pages- including exclusive poems that were originally left out of the first edition.

Emily thinks she's lost everything...until a mysterious painting leads her to what she wants most in the world. The new novel from the author of international bestsellers *The Sweetness of Forgetting* and *The Life Intended* shows why her books are hailed as "engaging" (People), "absorbing" (Kirkus Reviews) and "enthraling" (Fresh Fiction). Emily Emerson is used to being alone; her dad ran out on the

family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she's laid off from her reporting job, she finds herself completely at sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother—and the painting arrived with no identification other than a handwritten note saying, "He always loved her." Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW

internment camps of Florida, where German prisoners worked for American farmers...and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she's done. Along the way, she finds herself tempted to tear down her carefully tended walls at last; she's seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she's been keeping locked inside for years. Will this journey bring her the strength to confront them at last?

"The skeleton in someone else's closet." According to the World Health Organization, in the United States alone, on average, more than 44,000 people will commit suicide. 125 people a day. One every 13 minutes. For every suicide, at least 20 more will attempt it. Despite this fact, for most people, awareness of suicide comes from a far off distance. We hear of celebrities and rock stars overdosing, and politicians shooting

themselves. We shake our heads and wonder how suicide could possibly become the only way out. Until it happens to someone we know. Then the illusion of, "That happens to other families. Not normal families like ours," is shattered. The souls on the Other Side say that no one has the right to take their own life, but what happens to them if they do? Are they condemned to spend eternity wandering aimlessly and lost? Will you ever see them again? Will they ever find peace with what they've done? What if you're the one considering taking your own life? In this book, Anthony shares what he's learned from the readings he's done bringing through people who have

crossed themselves over.

If there is one thing she loves more than playing the piano though, it is her twin brother's best friend Dominic. But, in the first tentative steps of romance, what they all feared has come to pass. The country is at war. Following the Moon family's triumphs and tragedies during the outbreak of the First World War, Margaret Thornton's heartfelt and highly evocative narrative brings those turbulent times to life, perfectly capturing the horror of war and the devastating sorrow it brought, but also the heroism it engendered in ordinary people.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice

columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit "reply all"
- you're being

micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice

can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in

The Invisible Leash

**A Story Celebrating
Love After the Loss
of a Pet** *Little, Brown
Books for Young
Readers*

From the author of the picture book phenomenon The Invisible String comes a moving companion title about coping with grief when a pet dies. "When our pets aren't with us anymore, an

Invisible Leash connects our hearts to each other. Forever." That's what Zack's friend Emily tells him after his dog dies. Zack doesn't believe it. He only believes in what he can see. But on an enlightening journey through their neighborhood—and through his grief—he comes to feel the comforting tug of the Invisible Leash. And it feels like love. Accompanied by tender, uplifting art by Joanne Lew-Vriethoff, bestselling author Patrice Karst's gentle story uses the same bonding technique from her classic book *The Invisible String* to help readers through the experience of the loss of a beloved animal.
