Chapters From Books

An authored book is a book in which the same person has written all the chapters. If you used information from just one chapter of an authored book, write a reference for the whole authored book, as in the following example. Do not write a reference list entry for only a chapter in an authored book.
Kearney, D. J., & Simpson, T. L. (2020).

Book chapters: What to cite

A chapter is one of the main divisions of a piece of writing of relative length, such as a book of prose,

poetry, or law. A chapter book may have multiple chapters and these can be referred to by the things that may be the main topic of that specific chapter. In each case, chapters can be numbered or titled or both.
