Gestalt Group Process Elements Uk

Gestalt group process, then, is an attempt to create conditions or learning about what it means to be a member of

a group (whether that group be a personal growth group, a work team, a family, or a community), so that the polarities and dilemmas of separateness and unity can be experienced in the context of personal growth.

Gestalt group process - Elements UK

In the broadest terms, doing therapy is an exploration of human nature as it unfolds itself here-and- now: in this group with these people, in this place and time. It is useful in this task to have some underlying theory of what human nature is, and Gestalt therapy theory offers such a theory. 4.
