The Teaming Church is so good, I had a poster made out of its key ideas and am using that with our team and keeping it in my office. You cannot have a great church without a great team at the core.

The Teaming Church: Ministry in the Age of Collaboration ...

according to pastor, author, and speaker Robert Crosby. Leadership Skill: Team Building.
Category: Leader Skills. As a leader one of your responsibilities is to steer the Body in following God's design and purposes for the Church. This is accomplished by modeling it in your own ministry, by structuring for it to happen,

and by equipping others to align with God. *Biblical Basis for Teams in Ministry:*

Church: Teamwork in the Church.
Sometimes Christians assume that full-

time pastors serve the Lord more than other members do. Although that may be true in some cases, it is not true in all cases. Paul tells us, “Whatever you do, do it all for the glory of God” (1 Corinthians 10:31).
