Managing conversations about mental wellbeing

Now Hurlbert’s team has documented some of what they’ve learned so far about the ways that we talk to ourselves in our own minds. Our inner voices usually sound to us like our external spoken voice – instances of inner speaking occurring in another person’s voice are very rare. Just like our spoken voice, the voice of inner speaking can also express degrees of volume and emotion. Inner speaking is perceived as wilful – something done, rather than experienced passively.

The voice in our minds, second guessing, can be useful but it is not always necessary and has even become socially accepted as the defining feature of our minds. Too much of a good thing can be harmful.

How to stop your mind from talking all the time

It's time for that conversation again. I've had this conversation with several managers in the past, and I can honestly say that the responses varied as widely as you can imagine. One manager basically forced me to resign my beloved part-time job as a youth worker, even though her predecessor had literally been my lifeline at times.

'That' conversation with your boss | Mind, the mental ...

That’s why we encourage parents and carers to have regular conversations with their children about how they’re feeling from a young age. Along with Mind, we’re pleased to support Britain Get Talking by providing advice for their website on how families can have those conversations, and how parents and other adults can support young people if they’re struggling with their mental health.

Britain Get Talking - YoungMinds

We often lack the verbal framework for speaking our minds, so our words come out clumsily and can be hurtful. The good news is that the more practice to you get in speaking out, the easier it will be to frame your words thoughtfully and tactfully

During the conversation: There are a number of handy hints for conducting a courageous conversation as smoothly and productively as possible. These include: Remember that the way you speak and act at the outset will set the tone for the rest of the conversation. Try to express yourself without casting blame.

How courageous conversations can resolve workplace ...

Whoever you’re going to have a conversation with—a child, a spouse, a friend, an ex, or a colleague—you must look at that person with eyes of love. “If I could speak all the languages of earth and of angels, but didn’t love others, I would only be a noisy gong or a clanging cymbal” (1 Corinthians 13:1 NLT).

Start Your Conversations with Love - Pastor Rick's Daily Hope

There are six conversations with a question to begin ... In our words, may we speak Your love. ALL: Sharpen our minds, open our hearts, soften our will and tune our ears as we gather in this place of prayer. AMEN. CONVERSATIONS 1. S torie r y erience aying.

CONVERSATIONS IN PRAYER - Church of Scotland

The way I can explain this is that normally we all do have mental conversations with imaginary people. We usually know that it is in our head. But as these conversations become more external - that is we start to believe it is outside our head, they tend to become hallucinations.

Talking to people through mind.

The helicopter, in this case, is merely a metaphor to remind us of all the things you can do during a difficult conversation to get unstuck, move about, and maneuver. And like a helicopter, you don't have to go in one direction, you can quickly maneuver, circle out wider to encompass more details, go high for a better overall view, draw near for greater focus, or even fly backward to revisit ...

The Helicopter Technique Metaphor: 10 Useful Options For ...

Thoughts will pop in my head, mostly negative, about experiences I have had. And I will have a conversation about this experience. Usually these conversations will last from 10 seconds to 30 or anywhere in between. Then I’m off to another conversation for 10 or 30 seconds, and then back to the original.
