Howards End thus presents a case for practicality. Forster gives
 space to the seemingly mundane to give it value. Leonard's
 character reinstates the value of practical matters behind the veil
 of intellectualism in the modern period. Leonard is introduced to
 the novel by means of an object: a seemingly
 insignificant umbrella.

Howards End, which Forster published in 1910, is sometimes
 viewed as the last of the great nineteenth century condition of
 England novels. Forster spreads his plot over a wide range of
 social classes and conditions, and demonstrates the fact that
 they're all inextricably connected, and that the strictly
 hierarchical social system of the now-dead Victorian period no
 longer applies.

Tibby was sensitive to beauty, the experience was new, and he gave a description of his visit that was almost glowing. The august and mellow University, soaked with the richness of the

western counties that it has served for a thousand years, appealed at once to the boy's taste: it was the kind of thing he could understand, and he understood it all the better because it was empty.
