[PDF] [EPUB] The End of Protest: A New Playbook for ...

Tracing the histories of economic unrest in the United States and Great Britain from the nineteenth century to the present, The End of Protest shows that governments have always been preoccupied with the task of controlling dissent over free market policies. But today's methods pose a new threat to democratic values.

“The End of Protest” on Cornell University Press Digital ...

The End of Protest is authored by Micah White, one of the founders of the historic Occupy Movement. One of the high marks of this book is the critique of the general drive toward protest that most contemporary activists engage in. White is absolutely correct that try as ordinary people might, the United States government is largely non-responsive to the protests of average people.

The End of Protest: A New Playbook for Revolution by Micah ...

The End Of Protest, after putting Occupy in (fascinating) historical context, identifies the reason that protests fail as a kind of entitled naivete — the

bizarre belief that if you get a million people out onto the street demonstrating, then governments will have to respect that and change course, because it clearly represents the will of the people.

Under this “End SARS” agenda therefore, we must be weary of what becomes of this protest when the voices leading the campaign are not properly disaggregated and a choice not made on whom to ...

Who Should Really Profit From The ‘#End SARS Protest’?

In The End of Protest, Alasdair Roberts explains how, in the modern age, governments learned to unleash market forces while also avoiding protest about the market’s failures. Roberts argues that in the last three decades, the two countries that led the free-market revolution—the United States and Britain—have invented new strategies for dealing with unrest over free market policies.
