The Knotting and Braiding Bible, by Dorothy Wood, is a great comprehensive guide to making jewellery using various knotting and braiding techniques. The Knotting and Braiding Bible focuses first and foremost on techniques. It is divided into three main chapters, each dealing with a different theme: knotting techniques, including macramé, braiding techniques and finally Kumihimo.

The Knotting and Braiding Bible - My World of Beads

It takes you through basic knotting to more complex projects, braiding and macrame. A large portion is then devoted to kumihimo, which didn't interest me initially, but does now. The 'simple' knotting has fascinated me--using just one or two strands and fingers--and, though it's taken some patience to learn and work through, I've been very please with the results.
