The Book Of Druidry Ross

Ross Nichol's "The Book of Druidry" is a classic. This book is important to own if anyone cares to know anything about certain aspects of Freemasonry, Theosophy, and Occult movements; what they believed, and how they influenced those around them while constantly reshaping Western thought.

The Book of Druidry (History, Sites and Wisdom): Nichols ...

A dense, nearly unreadable history of druidry, complete with

the meanings of symbols and the rituals. The book was written by a former Druid Chief in England, and published many years after his death, so perhaps he would have edited it some before he published, at least to remove all the redundancies.

Over the years, I am
sure that hundreds, if
not thousands, of
books have been
written on the topic of
Druidry. Some of them
have been scholarly,
some have been
fanciful, and most of
them have been
written by outsiders.

Download: The Book of Druidry, 2nd Edition by Ross Nichols PDF

In 1949, Ross became assistant editor of The Occult Observer, published by Michael Houghton of the Atlantis Bookshop. Houghton published Gardner's High Magic's Aid in the same year. The journal ran for only a year, but in it Ross wrote about Druidism for the first time, and his friend Mir Bashir wrote a story entitled 'The Book of Shadows', which apparently inspired Gardner to adopt the term for Wicca.

The Book of Druidry: Nichols, Ross: Amazon.sg: Books

The Book of Druidry was one of the first mainstream books published on Druidry, and is essentially the posthumously published work of Ross Nichols, former chief of the Order of Bards, Ovates and Druids. This book is interesting from a historical perspective, but is most certainly not a Druid's bible, or sourcebook.
