Introduction to Criminal Justice

Practice and Process *SAGE Publications*

A practical and applied introduction to criminal justice Introduction to Criminal Justice: Practice and Process shows you how to think practically about the criminal justice system by offering you a proven, problem-based approach to learning. Bestselling authors Kenneth J. Peak and Tamara D. Madensen draw on their many years of combined practitioner and academic experience to explain the importance of criminal justice and show how key trends, emerging issues, historical background, and practical lessons can be applied in the field. New to the Third Edition: An emphasis on constitutional policing, legitimacy, and procedural justice stresses the importance for police to develop a "guardian" mindset over a "soldier" mindset. New discussions of contemporary criminological theories—such as social structure theories, social process theories, social conflict theories, feminist theories, and environmental criminology theories—provide you with a concise explanation on why people commit crimes and how to prevent them in the modern world. An in-depth view of three particularly challenging problems and policy issues—terrorism, the mentally ill population, and illegal immigration—demonstrate how today's society and the criminal justice system are affected by these issues and what can be done to address the problems. New examples and case studies of ethical dilemmas illustrate today's climate of distrust, dissension, and dysfunction to encourage you to think critically about what is considered "ethical". New video interviews with criminal justice professionals offer you career advice, provide you with insights into a variety of career paths, and discuss challenges and misconceptions of each profession.

Criminal Justice Research in an Era of Mass Mobility *Routledge*

We live in an era of mass mobility where governments remain committed to closing borders, engaging with securitisation discourses and restrictive immigration policies, which in turn nurture xenophobia and racism. It is within this wider context of social and political unrest that the contributors of this collection reflect on their experiences of conducting criminological research. This collection focuses on the challenges of doing research on the intersections between criminal justice and immigration control, choosing and changing methodologies while juggling the disciplinary and interdisciplinary requirements of the work's audience. From research design, to fieldwork to writing-up, this book captures every part of the research process, drawing on a range of topics such as migration control, immigrant detention and border policing. It also reflects on more neglected areas such as the interpersonal and institutional contexts of research and the ontological and epistemological assumptions embedded within data analysis methods. It makes a significant contribution to our understanding of the major developments in current research in this field, how and why they occur and with what consequences. This book seeks to shake off the phantom of undisturbed research settings by bringing to the fore the researchers' involvement in the research process and its products. An interdisciplinary collection, it can be used as a reference not just for those interested in the criminology of mobility but also as a learning tool for anyone conducting research on a highly charged topic in contemporary policy and politics.

Criminal Justice

A Very Short Introduction *Oxford University Press, USA*

The criminal justice system is wide ranging: it covers crimes, policing, the sentencing of offenders, and prisons. This title draws upon the latest research and current practices from around the world. Focusing on the adversarial model of justice found in common law countries such as the US, UK, Canada, and Australia, it discusses topics such as the uses of imprisonment, the effects of capital punishment, and the purposes of sentencing. Considering the role of the victim, as well as public knowledge and attitudes towards criminal justice, it assesses the way in which the system functions.

A Brief Introduction *Allyn & Bacon*

A 12-chapter, paperback brief text that is realistic, applied and practical. *Criminal Justice: A Brief Introduction* is a realistic, applied, and practical text, which introduces students to the real world of criminal justice. Fagin uses clear and simple examples drawn from decades of experience to bring criminal justice alive for students. With a clear and readable style, the author places the criminal justice system in the broader context of American government. James Fagin is a recognized educator in the administration of justice; an expert in areas of contemporary concern, such as transnational terrorism, computer crime, and computer technologies in criminal justice; and has hands-on experience in law enforcement.

Introduction to Criminal Justice

Systems, Diversity, and Change *SAGE Publications*

Introduction to Criminal Justice: Systems, Diversity, and Change, Second Edition, offers students a brief, yet comprehensive, introduction to Criminal Justice with up-to-date coverage of all aspects of the criminal justice system in succinct and engaging chapters. Authors Callie Marie Rennison and Mary Dodge weave four true criminal case studies throughout the book, capturing students'

attention with memorable stories that illustrate the real-life pathways and outcomes of criminal behavior and victimization. Designed to show the connectedness of the criminal justice system, each case study brings the chapter concepts to life. To further captivate and inform students, important and timely topics such as ethics, policy, gender, diversity, victimization, and white-collar crime are discussed throughout.

Criminal Justice Today

An Introductory Text for the 21st Century *Prentice Hall*

Once again, Schmallegger is the most current and popular text on the market and continues to lead as the gold-standard among criminal justice texts today! *Criminal Justice Today: An Introductory Text for the 21st Century*, 13e continues to lead as the gold-standard for criminal justice texts. Best-selling, student- and instructor-preferred, and time- tested-Schmallegger is the most current and popular text on the market. This textbook guides criminal justice students in the struggle to find a satisfying balance between freedom and security. True to its origins, the thirteenth edition focuses on the crime picture in America and on the three traditional elements of the criminal justice system: police, courts, and corrections. This edition continues to question the viability of our freedoms in a world that has grown increasingly more dangerous. Students are asked to evaluate the strengths and weaknesses of the American justice system as it struggles to adapt to an increasingly multicultural society and to a society in which the rights of a few can threaten the safety of many. Teaching and Learning Experience This book will ground students in the important issues that continue to evolve from the tension between the struggle for justice and the need for safety. It provides: An all-in-one, comprehensive resource: Provides students with the gold-standard among criminal justice texts on the market today Latest developments in the field: Offer extensive coverage of technology and crime Critical analysis of today's issues: Includes the most up-to-date coverage of white collar crime, hate crime, and cyber crime Exceptional pedagogical features: Gives students the tools to master key concepts faster and more effectively MyCJLab: MyCJLab was designed to meet the needs of today's instructors and students. MyCJLab provides instructors with a rich and flexible set of course materials, along with course management tools that make it easy to deliver all o

Criminology in Brief

Understanding Crime and Criminal Justice *Routledge*

This book offers a short and accessible introduction to criminology. Written in a clear and direct style, criminological theories are made more accessible for undergraduates, and the workings of the

criminal justice system are explained. Students will learn not only how the criminal justice system works, but also how it does not work. Beyond introducing students to the basics, the book provides a persuasive argument that the criminal justice system we have in the United States comes nowhere close to our ideals for justice, doing little good in terms of crime control, while doing great harm to minorities and the poor. Engaging and far-ranging, this text offers a condensed approach to the key themes and debates surrounding crime and justice, and covers definitions and measurements of crime, criminological theories, crime typologies, and contemporary issues in the criminal justice system. It includes chapters on: Criminological Methods and Data Biological, Psychological, and Classical Theories of Crime Sociological Theories of Crime Patterns of Crime The Police The Courts Corrections and the American Prison System Written by an experienced textbook author, this book offers a critical approach to the subjects discussed and draws on topical examples such as Black Lives Matter, the militarization of the police, plea bargaining and the War on Drugs. It is essential reading for Criminology courses within a Sociology Major and will also be of interest to Criminal Justice majors, law students, policymakers, and informed citizens.

Criminal Law Today

Bringing criminal law to life. Criminal Law Today, Fifth Edition, brings criminal law to life by relating it to real stories from today's headlines. The text's approach is strongly influenced by the belief that the law has always been, and remains, a vital policy-making tool. As a topic for study and discussion, the nature and life of the law is more important today than ever before. The text highlights the challenges that face the law as it continues to adapt to the needs of a complex and rapidly changing society and features a balanced text/casebook approach that provides a lively introduction to criminal law. Effective in-text learning tools give students the resources they need to master the material presented in the text. MyCJLab was designed to meet the needs of today's instructors and students. MyCJLab provides instructors with a rich and flexible set of course materials, along with course management tools that make it easy to deliver all or a portion of your course online. MyCJLab provides students with a personalized interactive learning environment, where they can learn at

their own pace and measure their progress.

Introduction to Criminal Justice Information Systems CRC Press

The proliferation of information systems throughout the criminal justice system has prompted many universities supporting criminal justice programs to add criminal justice information systems technology to their curriculums. Several universities have gone so far as to hire professors with specializations in information technology and to offer criminal justice information systems as an area of concentration. Introduction to Criminal Justice Information Systems gives an overview of the various software systems and technologies currently used in the criminal justice environment. The book covers a variety of topics critical to each member of the criminal justice system: police, prosecutor, courts, and corrections. It details the current systems in use, how they are used, and how separate systems interact with others. It also suggests how the current technology and the processes built upon it will evolve. While designed as a textbook to meet the needs of an introductory criminal justice information technology course, Introduction to Criminal Justice Information Systems is also a flexible resource useful to professionals in relevant areas of the criminal justice system. With rapidly increasing development and use of technology in modern law enforcement, this book provides a much-needed reference for those who are responsible for its implementation as well as an essential introduction to those who will become responsible for it. An instructor's manual is available as an electronic download upon request.

Criminal Justice: A Brief Introduction, 5th Ed. [Custom Edition for Palomar College].

The Criminal Justice System

An Introduction, Fifth Edition CRC Press

The Criminal Justice System: An Introduction, Fifth Edition incorporates the latest developments in the field while retaining the basic organization of previous editions which made this textbook so popular. Exploring the police, prosecutors, courts, and corrections, including probation and parole, the book moves chronologically through the different agencies in the order in which they are usually encountered when an individual goes through the criminal justice process. New in the Fifth Edition: A complete updating of charts and statistics to reflect the changes the FBI has made to the Unified Crime Reports System Expanded material on the history of law enforcement Additional information on terrorism, homeland security, and its effect on the police New approaches to policing such as Problem-Oriented Policing and Intelligence-Led Policing Cyber crime, identity theft, accreditation, and new approaches to crime analysis New information on prosecution standards, community prosecution, and prosecutorial abuse New emphasis on the concept of jurisdiction and the inter-relation between the courts' functions and the other branches of the criminal justice system An

examination of the dilemma for the courts caused by the intersection of politics, funding, media, and technology New discussions on prisoner radicalization Pedagogical features: Each chapter begins with an outline and a statement of purpose to help students understand exactly what they are supposed to master and why Illustrations to assist in the clarification and further development of topics in the text Each chapter ends with a summary, a list of key terms, and a series of discussion questions to stimulate thought Appendices with the United States Constitution, a glossary of criminal justice terminology, and websites useful in gaining knowledge of the criminal justice system Access to a free computerized learning course based on the book
