Changing The Military Culture Of

Leading change programs "through the line" in this way capitalizes on the can-do attitude of military culture, empowering officers to hit aggressive targets set through the chain of command. Resist the urge to reorganize; start with quick wins. When embarking on a transformation program, it can be tempting to focus first on reorganization.

Five principles to manage change in the military | McKinsey

novation is a complex process that is neither linear nor always apparent. The interactions among intellectual, institutional, and political-economic forces are intricate and obscure. The historical and strategic context within which militaries transform compounds this complexity. Nevertheless, factors such as military culture, technological modernization, doctrinal development, and organizational and tactical innovation have influenced the ability to transform.

Culture - Defense Technical Information Center

This article uses three interrelated concepts-ideal type, model, and paradigm-to examine and explain both change and continuity in the American military culture as it undergoes major social change. Briefly, the analysis defines the three concepts and then applies each to current military culture. From this analysis, one sees continuity in the military's cultural paradigm, termed the "combat, masculine-warrior."

Changing the Military Culture of Silence: Rhodes, Samuel M ...

Integrating the U.S. Military will help readers see the ways in which leaders of the armed forces have responded to social changes in the civilian world and have been pragmatic progressives in positioning the military as a vanguard of social change in order to meet practical personnel needs. It will also guide readers through the much more entrenched conventional wisdom to which Americans cleave about who should serve in the armed forces and why.

A Changing Military, an Entrenched Culture | JHU Press

As a preview for "Strategic Outpost" readers, we offer the six most important

recommendations for changing Army culture that will appear in our report: 1. Accept More Risk. Warfare is inherently dangerous, and especially so on land.

Six Ways to Fix the Army's Culture

To change the overall culture, the thinking goes, the military must change. This is where the argument for overturning the combat exclusion rule using our allies' experiences as proof that it will work is disingenuous. Our allies who have opened combat arms to women have simply opened their combat arms branches to women. That is all.

Changing the "Macho" Male Culture of the US Military ...

The British military has faced a range of challenges when engaging with non-military actors in population-centred counter-insurgency and stabilisation operations. Such actors include humanitarian agencies, non-government organisations, civilian populations and national and international government institutions. There has been considerable resistance, especially from the British Army, to ...

Testing the cultural boundaries of the British military ...

The military has emphasized themes of sacrifice and service so much that it has in some quarters transformed those into a culture of entitlement and superiority that hampers introspection and will cripple attempts to rationally reform the institution.
