Chances Freya North

Chances by Freya North is a nice book. It's about two people Vita and Oliver who have given a second chance at love. Do they take it? Vita is 33 and has just gotten out of a 6 year relationship in which she had her heart, trust, and self confidence shattered.

Chances by Freya North - Goodreads

Chances is my 11th novel - and writing it coincided with a very difficult time for me behind the scenes. Perhaps, therefore, more than any of my other books, I am extremely proud of the result. Essentially, though, Chances is an upbeat book and unapologetically romantic. Parts of it made me laugh out loud, other interludes brought tears to

my eyes.
