and payroll. More than 500 synonym paragraphs, 200 word history paragraphs that clarify meaning, and nearly 1,000 illustrations. Special sections include biographical names, geographical names, and signs and symbols. An excellent resource for college test prep.

Concise Oxford English Dictionary *Oxford University Press, USA*

The Concise Oxford English Dictionary is a world-famous bestseller, chosen by thousands of users for its up-to-date and authoritative coverage of the English language. This package includes the latest edition of the Concise Oxford English Dictionary in print and CD-ROM formats. It contains over 240,000 words, phrases, and definitions, providing meanings for everyday words plus scientific and technical vocabulary, as well as English from around the world. This revised edition of the dictionary has been updated with hundreds of new words and phrases drawn from research findings from the Oxford Reading Programme and the two-billion word Oxford English Corpus. The CD-ROM version of the dictionary offers full-text search functionality, instant look-up from WindowsRG documents, including email and the internet, and high-quality spoken pronunciations for thousands of words, making it ideal for family use, as well as for homework and school use. The CD-ROM is also Mac compatiblefor the first time, due to brand new software. This edition also features a new supplementary section, with quick-reference word lists (containing, for example, lists of Unusual Words, and Onomatopoeic Words), and a revised and updated English Uncovered supplement, which presents interesting facts about the English language.

Policing America

An Introduction *Walters Kluwer*

Policing America is an introductory textbook to policing in the United States. In a balanced approach, the text presents the theoretical foundations of American policing, with a focus on contemporary police practices and research. Oliver covers all of the key topics in policing, but does not overburden the student with either extraneous material only loosely related to policing or the overly detailed presentation of research more suited to a graduate program. In an engaging and readable style, the author offers an overview of past practices and research in policing, but emphasizes more contemporary policing practices and research. The focus of the book is on a contextual understanding of concepts in American policing. It is supported by the academic research, balanced with the voice of the American police officer. Features: Balanced approach that emphasizes contemporary policing. Written by an academic with police experience, resulting in an approach that combines the theoretical and the practical aspects of police work. Uses hypotheticals to bring the concepts to life for students. Student-friendly and accessible presentation incorporates graphic elements such as boxed features and charts to emphasize and summarize key points. Encourages students to think critically about the role of policing in today's society. Oliver is an experienced author of textbooks in the criminal justice and policing fields, having authored or co-authored over a dozen books.

Includes 3 months' access to Oxford Dictionaries Pro at oxforddictionaries.com.

The Dark Lord *Tor Books*

Tom Harlan brings his Oath of Empire series to a shattering conclusion in The Dark Lord. In what would be the 7th Century AD in our history, the Roman Empire still stands, supported by the twin pillars of the Legions and Thaumaturges of Rome. The Emperor of the West, the Augustus Galen Atreus, came to the aid of the Emperor of the East, the Avtokrator Heraclius, in his war with the Sassanad Emperor of Persia. But despite early victories, that war has not gone well, and now Rome is hard-pressed. Constantinople has fallen before the dark sorceries of the Lord Dahak and his legions of the living and dead. Now the new Emperor of Persia marches on Egypt, and if he takes that ancient nation, Rome will be starved and defeated. But there is a faint glimmer of hope. The Emperor Galen's brother Maxian is a great sorcerer, perhaps the equal of Dahak, lord of the seven serpents. He is now firmly allied with his Imperial brother and Rome. And though they are caught tight in the Dark Lord's net of sorcery, Queen Zoe of Palmyra and Lord Mohammed have not relinquished their souls to evil. Powerful, complex, engrossing --Thomas Harlan's Oath of Empire series has taken fantasy readers by storm. The first three volumes, The Shadow of Ararat, The Gate of Fire, and The Storm of Heaven have been universally praised. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
