Save time, money, and paper! Download a digital copy of your owner's manual, use and care manual, installation information, and energy guides. Printing tip! If printing is required, note that some manuals include multiple languages. You can save paper and ink by printing only the pages for the language you need.

Owner manuals, installation instructions | GE Appliances

The GE Potscrubber is a discontinued line of dishwashers that use a filter screen in the interior bottom of the appliance to block food debris from entering the pump and potentially clogging the kitchen drain. Cleaning the filter screen at least once a month or as necessary, if water stops draining properly, is a part of the regular maintenance for this appliance. The filter removes in seconds ...
