The Price of Inequality - Wikipedia

The Price of Inequality: How Today's Divided Society Endangers Our Future by Joseph E. Stiglitz "The Price of Inequality" is one of the most compelling economic books about the excessive inequality in the United States. It does a fabulous job of explaining three interlinking themes: that inequality is cause and consequence of the failure of the political system, and contributes to the instability of our economic system, which in turns contributes to inequality.

the McKinsey Global Institute had issued The power of parity: How advancing women’s equality can add \$12 trillion to global growth .

McKinsey Classics: The price of gender inequality

This book is about why our economic system is failing for most Americans, why inequality is growing to the extent it is, and what the consequences are. The underlying thesis is that we are paying a high price for our inequality—an economic system that is less stable and less efficient, with less growth, and a democracy that has been put into peril.
