Chasing Technoscience: Matrix for Materiality Bloomington & Indianapolis:

Indiana University Press. Chasing Technoscience embodies a trajectory that every PhD student, and everybody interested in Science and Technology Studies and the Philosophy of Science and Technology, should follow. It interviews some of the most important scholars in the field, reads some of their most recent texts, critically analyzes their positions and relates them to each other.

SPT v9n2 - Reviews - The Matter of Technology: A Review of ...

In this usage, technoscience refers specifically to the technological and social context of science. Technoscience recognises that scientific knowledge is not only socially coded and historically situated but sustained and made durable

by material (non-human) networks. Technoscience states that the fields of science and technology are linked and grow together, and scientific knowledge requires an infrastructure of technology in order to remain stationary or move forward.
