Great River : The Rio Grande in North American History by ...

The Rio Grande is a western icon and the lifeblood of the American southwest. This iconic river is already suffering death by a thousand cuts due to dams and unsustainable diversions. Now the Trump administration is pressing to build a border wall, adding to miles of levee-border walls and bollard border walls that already choke the river, increase flooding and erosion, disconnect the river from its floodplain, and block access for people and wildlife.
