Civil Justice and Private International Law: New Guidance ...

Conflict of laws. Conflict of laws (sometimes called private international law) concerns the process for determining the applicable law to resolve disputes between individuals, corporations (and in some systems the state in certain contractual relationships) in multi-jurisdictional cases and transactions. Conflict of laws especially affects private international law, but may also affect cases where a contract makes incompatible reference to more than one legal framework.

Conflict of laws - Wikipedia

As one of the most definitive texts on the market, European Private International Law provides an essential guide for both students and practitioners to the complex field of international litigation within the EU. The private international law of the Member States is increasingly regulated by European law, making private international law ever less 'national' and ever more EU based.
