Complex Adaptive Leadership

Complex adaptive leadership (CAL) is an approach to leadership based on a polyarchic assumption (leadership of the many by the many), rather than based on an oligarchic assumption (leadership of the many by the few). Leadership in this theory is seen as a complex dynamic involving all, rather than only a role or attribute within a hierarchy.

He proposes that complex adaptive leadership is polyarchic: that is leadership of the many by the many. He is not proposing that oligarchic leadership is thrown away, but rather that oligarchic and polyarchic leadership are complementary. This is the paradox, and it creates a tension as well as uncertainty.
