Whatever You Are, Be a Good One

100 Inspirational Quotations Hand-Lettered by Lisa Congdon *Chronicle Books*

Wise words from great minds: "Revisit this colorful read whenever you need a pick-me-up—or a push—to get out there and make the most of your day." —Real Simple A quote book like no other, this thought-provoking collection compiles the timeless wisdom of great original minds— from Marie Curie to Stephen King, Joan of Arc to Jack Kerouac, Oscar Wilde to Harriet Tubman—brilliantly hand-lettered by beloved indie artist Lisa Congdon. You'll find enlightening insights ("Wisdom begins in wonder"—

Socrates), stirring calls to action (“Leap and the net will appear”—John Burroughs), and stimulating encouragements (“Be curious, not judgmental”—Walt Whitman) beautifully illuminated on every page. A delightful reminder to make the most of life, *Whatever You Are, Be a Good One* is perfect for recent graduates, creative thinkers, and anyone looking for a little inspiration. “An impossibly charming compendium . . . The common thread underpinning these quotes—which include such beloved luminaries as Albert Camus, Simone de Beauvoir, Henry James, Anne Lamott, Soren Kierkegaard, and Leo Tolstoy—is Congdon’s own sensibility about what it means to live with kindness and integrity, to cherish beauty and the creative spirit, and ultimately to be a good human being.” —Brain Pickings

Wherever You Are

My Love Will Find You *Feiwel & Friends*

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. *Wherever You Are* is a book to share with your loved ones, no matter how near or far, young or old, they are.

Whatever You Think Think the Opposite *Portfolio Trade*

Gives advice for how to achieve success, advocating risk-taking and entrepreneurial thinking by presenting examples of people who made unique decisions that paid off.

El Triunfo de la Voluntad...¡Por Fin Es Suyo!

Everything You

A Picture Book *Farrar, Straus and Giroux (BYR)*

A lyrical, heartfelt picture book celebrating the love between parents and their children. When a new baby comes into the world, that baby becomes everything cuddly, everything kisses, everything love...everything possible. In other words, everything that matters. And the world is never quite the

same again. In *Everything You*, Elizabeth McPike's simple, poetic text and Jay Fleck's modern graphic and adorable illustrations capture the wonder and love a child brings to our lives.

Wherever You Go, There You Are

Mindfulness Meditation In Everyday Life *Hachette Books*

The time-honored national bestseller, updated with a new afterword, celebrating 10 years of influencing the way we live. When *Wherever You Go, There You Are* was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book's 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience.

The 48 Laws of Power *Penguin*

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28:

Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Four Agreements

A Practical Guide to Personal Freedom *Hay House, Inc*

Based on ancient Toltec wisdom, *The Four Agreements* offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. • A New York Times bestseller for over a decade • Translated into 46 languages worldwide “This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter.” — Oprah Winfrey “Don Miguel Ruiz’s book is a roadmap to enlightenment and freedom.” — Deepak Chopra, Author, *The Seven Spiritual Laws of Success* “An inspiring book with many great lessons.” — Wayne Dyer, Author, *Real Magic* “In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world.” — Dan Millman, Author, *Way of the Peaceful Warrior*

What Got You Here Won't Get You There

How successful people become even more successful *Profile Books*

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

With the support of family and friends, Burrell continues to prove that with hard work and dedication anything is possible. What Are You Reaching For? - Identify your aspirations by challenging yourself to reach for goals that are attainable, sustainable and retainable. - Live and accept your purpose while overcoming obstacles. - Build meaningful connections with like-minded people. - Use your worst days to create your best days by moving forward and using the power of forgiveness.

Everything You Are *Lake Union Publishing*

From the bestselling author of Whisper Me This comes a haunting and lyrical novel about the promises we make and

the forgiveness we need when we break them. One tragic twist of fate destroyed Braden Healey's hands, his musical career, and his family. Now, unable to play, adrift in an alcoholic daze, and with only fragmented memories of his past, Braden wants desperately to escape the darkness of the last eleven years. When his ex-wife and son are killed in a car accident, Braden returns home, hoping to forge a relationship with his troubled seventeen-year-old daughter, Allie. But how can he hope to rescue her from the curse that seems to shadow his family? Ophelia "Phee" MacPhee, granddaughter of the eccentric old man who sold Braden his cello, believes the curse is real. She swore an oath to her dying grandfather that she would ensure Braden plays the cello as long as he lives. But he can't play, and as the shadows deepen and Phee finds herself falling for Braden, she'll do anything to save him. It will take a miracle of forgiveness and love to bring all three of them back to the healing power of music.

Whatever You Grow Up to Be *Zonderkidz*

"Ten little toes right from the start Make footprints on your mommy's heart!" The timeless journey of a mother and son is poignantly captured in the story of a boy's growth from childhood to fatherhood. From birth to football games to college graduation, a mother reminds her son that life is filled with possibilities and that God has a plan for him—whatever he grows up to be!

What Do You Do with a Problem?

This is the story of a persistent problem and the child who isn't so sure what to make of it. The longer the problem is avoided, the bigger it seems to get. But

when the child finally musters up the courage to face it, the problem turns out to be something quite different than it appeared. *What Do You Do With a Problem?* is a story for anyone, at any age, who has ever had a problem that they wished would go away. It's a story to inspire you to look closely at that problem and to find out why it's here. Because you might discover something amazing about your problem... and yourself.

What You Wish For

A Novel *St. Martin's Press*

"The story's message, that people should choose joy even (and especially) in difficult and painful times, seems tailor-made for this moment. A timely, uplifting read about finding joy in the midst of tragedy, filled with quirky characters and comforting warmth."—Kirkus (starred review) From the New York Times bestselling author of *How to Walk Away* comes a stunning new novel full of heart and hope. Samantha Casey is a school librarian who loves her job, the kids, and her school family with passion and joy for living. But she wasn't always that way. Duncan Carpenter is the new school principal who lives by rules and regulations, guided by the knowledge that bad things can happen. But he wasn't always that way. And Sam knows it. Because she knew him before—at another school, in a different life. Back then, she loved him—but she was invisible. To him. To everyone. Even to herself. She escaped to a new school, a new job, a new chance at living. But when Duncan, of all people, gets hired as the new principal there, it feels like the best thing that could possibly happen to the school—and the worst

thing that could possibly happen to Sam. Until the opposite turns out to be true. The lovable Duncan she'd known is now a suit-and-tie wearing, rule-enforcing tough guy so hell-bent on protecting the school that he's willing to destroy it. As the school community spirals into chaos, and danger from all corners looms large, Sam and Duncan must find their way to who they really are, what it means to be brave, and how to take a chance on love—which is the riskiest move of all. With Katherine Center's sparkling dialogue, unforgettable characters, heart, hope, and humanity, *What You Wish For* is the author at her most compelling best.

Whatever You Love

A Novel *Harper Collins*

Longlisted for the Orange Prize and Shortlisted for the Costa Novel Award, Louise Doughty's hauntingly beautiful investigation of love, loss, and revenge is a literary page-turner that will linger in your mind far after the cover closes. When a hit-and-run car crash claims Laura's daughter Betty, her life is turned upside down. But when the courts rule the death an accident, the lines dividing justice from punishment will blur as Laura embarks on her own quest for vengeance. Sure to captivate fans of Antoinette van Heugten and Sophie Hannah, as well as readers of Doughty's previous books *Fires in the Dark* and *A Novel in a Year*, among others, *Whatever You Love* is a poignant psychological story in which life's greatest questions hang in the balance.

Anything You Want

40 Lessons for a New Kind of Entrepreneur *Penguin*

You can follow the beaten path and call yourself an entrepreneur or you can blaze your own trail and really be one. When Derek Sivers started CD Baby, he wasn't planning on building a major business. He was a successful independent musician who just wanted to sell his CDs online. When no one would help him do it, he set out on his own and built an online store from scratch. He started in 1998 by helping his friends sell their CDs. In 2000, he hired his first employee. Eight years later, he sold CD Baby for \$22 million. Sivers didn't need a business plan, and neither do you. You don't need to think big; in fact, it's better if you don't. Start with what you have, care about your customers more than yourself, and run your business like you don't need the money.

How to Find What You're Not Looking for *Penguin*

Middle schooler Ariel Goldberg must find her own voice and define her own beliefs after her big sister elopes with a young man from India following the Supreme Court decision that strikes down laws banning interracial marriage.

What You Want to See

A Mystery *Minotaur Books*

2019 Shamus Award winner for Best Novel! The thrilling follow up to *The Last Place You Look*, starring troubled and determined private investigator, Roxane Weary. Marin Strasser has a secret. Her fiancé thinks her secret is that she's having an affair, and he hires P.I. Roxane Weary to prove it. Then, just days into the case, Marin is shot to death on a side street in an apparent mugging. But soon enough the police begin to focus on Roxane's client for Marin's death, so she starts to dig deeper into Marin's life—discovering that the elegant woman she's been following has a past and a half, including two previous marriages,

an adult son fresh out of prison, and a criminal record of her own. The trail leads to a crew of con artists, an ugly real estate scam that defrauds unsuspecting elderly homeowners out of their property, and the suspicious accident of a wealthy older woman who lives just down the street from where Marin was killed. With Roxane's client facing a murder indictment, the scammers hit close to home to force Roxane to drop the case, and it becomes clear that the stakes are as high as the secrets run deep.

What Happened to You?

Conversations on Trauma, Resilience, and Healing *Flatiron Books*

#1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and

profound shift from asking “What’s wrong with you?” to “What happened to you?” Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It’s a subtle but profound shift in our approach to trauma, and it’s one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

All You Can Ever Know

A Memoir *Catapult*

A NATIONAL BESTSELLER This beloved memoir "is an extraordinary, honest, nuanced and compassionate look at adoption, race in America and families in general" (Jasmine Guillory, *Code Switch*, NPR) What does it mean to lose your roots—within your culture, within your family—and what happens when you find them? Nicole Chung was born severely premature, placed for adoption by her Korean parents, and raised by a white family in a sheltered Oregon town. From childhood, she heard the story of her adoption as a comforting, prepackaged myth. She believed that her biological parents had made the ultimate sacrifice in the hope of giving her a better life, that forever feeling slightly out of place was her fate as a transracial adoptee. But as Nicole grew up—facing prejudice her adoptive family couldn't see, finding her identity as an Asian American and as a writer, becoming ever more curious about where she came from—she wondered if the story she'd been told was the whole truth. With warmth, candor, and startling insight, Nicole Chung tells of her search for the people who gave her up, which coincided with the birth of her own child. *All You Can Ever Know* is a profound, moving chronicle of surprising connections and the repercussions of unearthing painful family secrets—vital reading for anyone who has ever struggled to figure out where they belong.

Fahrenheit 451

Take What You Need

Life Lessons after Losing Everything

Broadleaf Books

Jen Crow's transformation was triggered, quite literally, by a bolt of lightning. That jolt, which destroyed her home in a subsequent fire, forced her to consider what she really needed as she looked to rebuild her life. In *Take What You Need* Crow opens new perspectives for all of us looking to understand our past, our unexpected suffering, our failures, so we too can begin charting a course forward--one drawn from resilience and hope. We see with the immediacy of someone who nearly lost it all that our possessions won't carry us. Our responses to the regrets, losses, separations, addictions, and unexpected twists and turns of our lives are shaped by the spiritual values that sustain us and the people who support us. Crow invites us to explore the expected and unexpected turns our lives can take--and all the ways we can pay attention to what we truly need to survive the painful moments and live lives of meaning. Survival guide, spiritual companion, and a light in the dark, *Take What You Need* offers hope, humor, and real-life spiritual tools to meet the hardest moments of our lives.

You Are What You Click

How Being Selective, Positive, and Creative Can Transform Your Social Media Experience

Chronicle Books

An empowering, forward-thinking solution for creating intentional and healthy social media habits from an expert on media, technology and health. Internationally acclaimed behavioral scientist and social media expert Brian Primack, MD, PhD, believes we do not need to swear off social media, delete all our online accounts, or give up our phones to live healthier, happier lives. In

You Are What You Click, he offers a new approach to digital wellness, and a realist's perspective on how what we consume online affects our well-being. In response, he presents a "social media pyramid" that personalizes our tech diet so we can enjoy a fruitful, balanced relationship with social media. While many of us turn to social media looking for a sense of connection and comfort, the data show that it may paradoxically leave us feeling more alone and depressed. Drawing on over twenty years of original research, Dr. Primack explains the fascinating nuances of our relationship with social media, its impact on our mental health, and the dangers of social media using us instead of the other way around. He empowers us to take back control with a simple method: being more selective, positive, and creative with our lives online. Dr. Primack introduces surprising strategies you can use right away to fine-tune your online experience and discover your definition of digital balance. Through short, actionable chapters, you'll learn how to:

- Tailor your social media use to your personality.
- Select positive relationships over toxic ones.
- Overcome comparison syndrome and the fear of missing out.
- Fill your feed with meaningful, humorous, and uplifting content.
- Optimize your news intake and resist doomscrolling.
- Improve your sleep, create "tech holidays," and more.

With innovative strategies for managing technology, you'll transform your relationship with tech and discover how to make social media work for you. *You Are What You Click* offers a science-backed approach from a credentialed doctor: Dr. Brian Primack has an MD and a PhD in Education and Behavioral Science. Primack is the go-to expert on this topic. His work on the intersection of

media and health has been cited nearly 6,000 times in peer-reviewed scholarly literature, and he has been featured in major media outlets across the world. **FOR WELLNESS READERS, PARENTS, AND ANYONE WHO USES SOCIAL MEDIA:** Dropping off the digital map or deleting all our social media accounts isn't the only option—and often isn't something we feel ready to do. Rather than digital abstinence, with Primack's 3-step plan, tech lovers will be able to understand how to regulate their online social platforms in healthier ways. **A BALANCED PERSPECTIVE ON TECHNOLOGY AND SOCIAL MEDIA IN A POSITIVE LIGHT:** Almost every book in this genre portrays technology in a negative or even scary way. With this book, readers will learn how to adjust and balance their presence online with a personalized plan they can use across all platforms, no matter what new social media app goes public next. Primack offers an empowering solution that is forward-thinking, and will continue to be relevant as technology becomes more immersed into our lives. **QUICK, PRACTICAL ADVICE: You Are What You Click** is broken into short, actionable chapters that allow readers to understand the research, take action, and see results—perfect for short attention spans whittled down by Facebook and Instagram stories, Twitter, Snapchat, and TikTok! **FOR FANS OF PERSONALITY BOOKS:** Fans of books like *The Road Back to You: An Enneagram Journey to Self-Discovery* and *The Four Tendencies: The Indispensable Personality Profiles that Reveal How to Make Your Life Better* will love the personality quiz and personalized solutions Primack offers for being selective, creative, and healthy with social media use.

Think Again

The Power of Knowing What You Don't Know *Penguin*

#1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I’ve never felt so hopeful about what I don’t know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists

searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

When Truth is All You Have

A Memoir of Faith, Justice, and Freedom for the Wrongly Convicted *Anchor*

"By the founder of the first organization in the US committed to freeing the wrongly imprisoned, a riveting story of devotion, sacrifice, and vindication Jim McCloskey was at a midlife crossroads when he met the man who would transform his life. A former management consultant, McCloskey had grown disenchanted with the business world; he enrolled at Princeton Theological Seminary at the age of 37. His first assignment found him a chaplain at Trenton State Prison in 1980, where he ministered to some of the most violent offenders in the state. Among them was Jorge de los Santos, a heroin addict who'd been convicted of murder years earlier. De los Santos swore to McCloskey that he was innocent--and over time, McCloskey came to believe him. With no legal or investigative training to speak of, McCloskey threw himself into the man's case. Two years later, he successfully effected his exoneration. McCloskey found his calling. He would go on to establish Centurion Ministries, the first group in America devoted to overturning wrongful convictions. Together with a team of forensic experts, lawyers, and volunteers--through tireless investigation and an unflagging dedication to justice--Centurion has freed 63 prisoners and

counting, *When Truth Is All You Have* is McCloskey's inspirational story as well as those of the unjustly imprisoned for whom he has advocated. Spanning the nation, it is a chronicle of faith and doubt; of triumphant success and shattering failure. It candidly exposes a life of searching and struggle, uplifted by McCloskey's certainty that he had found what he was put on earth to do. Filled with generosity, humor, and compassion, it is the account of a man who has redeemed innumerable lives--and incited a movement--with nothing more than his unshakeable belief in the truth"--

All We Can Save

Truth, Courage, and Solutions for the Climate Crisis *One World*

NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. "A powerful read that fills one with, dare I say . . . hope?"—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it's clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it's a dynamic that sets us up for failure. To change everything, we need everyone. *All We Can Save* illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists,

innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. Everything I Never Told You

A Novel *Penguin*

The acclaimed debut novel by the author of *Little Fires Everywhere*. “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

All You Have to Do Is Ask

How to Master the Most Important Skill for Success *Currency*

A set of tools for mastering the one skill standing between us and success: the ability to ask for the things we need to succeed. Imagine you're on a deadline for a big project, and feeling overwhelmed. Or you're looking for a job, but can't seem to get your foot in the door. Or you're dying for tickets to a sold out concert, and all your leads have gone cold. What do these problems have in common? They can all be solved simply by reaching out to a colleague,

friend, or wider network and making an ask. Studies show that asking for help makes us better and less frustrated at our jobs. It helps us find new opportunities and new talent. It unlocks new ideas and solutions, and enhances team performance. And it helps us get the things we need outside the workplace as well. And yet, we rarely give ourselves permission to ask. Luckily, the research shows that asking—and getting—what we need is much easier than we tend to think. Here, Wayne Baker shares a set of strategies—used at companies like Google, GM, and IDEO—that individuals, teams, and leaders can use to make asking for help a personal and organizational habit, including:

- A quiz to identify your asking-giving style
- SMART criteria for who, when, and how to ask
- “Plug-and-play ” routines that make requests a standard component of meetings
- Mini-games that incentivize asking within teams
- The Reciprocity Ring, a guided activity that allows people to tap into the giving power of a network

Picking up where the bestselling book *Give and Take* left off, *All You Have to Do Is Ask* shows us how to ignite the cycle of giving and receiving by asking for the things we need. Advance praise for *All You Have to Do Is Ask* “Asking for help and support has been a key to my success. Wayne Baker expertly shares how everyone can do it.”—Shellye Archambeau, former CEO, MetricStream, and board director, Verizon and Nordstrom “Wayne Baker shares the formula for driving personal, organizational, and social change by tapping the power of our teams and networks for help. This insightful book is a must-read for anyone seeking practical and proven solutions to make our workplaces and world a better

place.”—Noel Tichy, professor, University of Michigan, and author of *Judgment and Control Your Destiny or Someone Else Will*

The Great Mental Models: General Thinking Concepts

The old saying goes, “To the man with a hammer, everything looks like a nail.” But anyone who has done any kind of project knows a hammer often isn't enough.
