Devlin De La Chapa (Author of HUSH) - Goodreads

I read hush and I could not put the book down, hushed was the same. I wanted to find out that Jane and her sister were safe in the end. This story is a fiction and pretty graphic which really was hard to read but it was hard to put down too, makes you realise that it could well be a true story for some who meet the wrong people in life, who abuse others in many different ways.
