With a kid on the way, Boyd needed the job bad. But the idea of going underground at the Hobart Mine, down into the dark labyrinth of tunnels to get at the raw ore, left him with a brooding sense of unease. Maybe it was the fact that his father had died down in the mines or maybe it was something much worse. Digging a new drift down in Level #8, the lowest level of the mine, an immense shaft opens up. Boyd and a few others volunteer to explore it. Some 400 feet down, they find a passage that leads to an immense cavern from prehistory. A petrified world. A prehistoric graveyard. Then a cave-in traps them down there. In the darkness

and dank shadows of a fossilized world, they realize they are not alone. Something has woken in the stone. Something ancient and terrible and coldly intelligent. And it is lonely.

Sick Things

An Anthology of Extreme Creature

Horror Red Room Press

Comet Press presents the ultimate collection of extreme creature horror with 17 deviant and gore-soaked stories featuring demons, cannibals, mutants, golems, werewolves, and many more vile creatures. Brace yourself for a wild and bestial ride in these disturbing tales of Sick Things. FANGORIA MAGAZINE REVIEW "Cover every orifice. Comet Press' new collection SICK THINGS: AN ANTHOLOGY OF EXTREME CREATURE HORROR is making a beeline for the soft contents of your body—and it doesn't care one bit where it makes its grand entrance, orbital sockets or otherwise. Rest assured this violation will be painful, given the tight confinements of our fallible frames of flesh—but anything less than a full-on ass-rape would probably seem insufficient in the eyes of editrix Cheryl Mullenax. Read on at your own stomach's peril." FATALLY YOURS REVIEW "If you are an extreme fan of horror looking for the ultimate in disgusting, vile and disturbing fiction, Sick Things: An Anthology of Extreme Creature Horror is a must-read...just make sure you have your barf bag handy!" TOXIC GRAVEYARD REVIEW "Recently I've discovered the awesomeness that is Comet Press. There is a myriad of small press horror publishers out there, and more seem to be popping up all the time. Many times these small press companies promise "extreme" horror but often what you get is a poorly edited book riddled with grammatical and spelling errors with mediocre unknowns sandwiched between old stories from established authors. Thank goodness for Comet Press. I've reviewed their previous releases Vile Things and The Death Panel and loved em both. The bar was set high for Sick Things, and it soared

over it on cloven hoof."
