The idea of counting sheep to help ease the

mind originally came in a rhyme. The only place where the true form of the old advice still survives is in the mouths of direct descendants to the Goral culture. " If you're counting sheep to help you sleep, don't look them in the eye, For some will give you dreams to keep, and some will make you die.".

"Counting Sheep" - Creepypasta Stories - Scary Stories ...

Synopsis Sheep are the thread that runs through the history of the English countryside. Our fortunes were once founded on sheep, and this book tells a story of wool and money and history, of merchants and farmers and shepherds, of English yeomen and how they

got their freedom, and
above all, of the soil.
