Published in 1922, "What I Saw in America" is a collection of thoughts about America by the brilliant British writer, G.K. Chesterton. It was his only visit to America, during a lecture tour. This passage from the book sums up GKC's approach to understanding a foreign country: "A man is perfectly entitled to laugh at a thing because he finds it incomprehensible.

What I Saw in America by G.K. Chesterton

What I saw in America is a compilation of articles G.K. Chesterton wrote for an English publication during his trip to the United States in the early 1920s. It includes many insights, perhaps the most famous of which are that America is "a nation with the soul of a church" and that Broadway would be "a glorious garden of wonders ... to any one was lucky enough to be unable to read."

Unlike an earlier reviewer, I have no complaints about the quality of this free edition. (Maybe it's been updated recently.) I've seen some oddities, such as page numbers inexplicably inserted in

brackets in the middle of text--the sorts of glitches commonly seen in public-domain content scanned by volunteers--but so far, they haven't dampened my enjoyment of Chesterton's wit and wisdom.
