Introducing Second Language Acquisition: Perspectives and Practices represents a clear and concise introduction to the main concepts, issues, and debates in second language acquisition studies aimed specifically at undergraduates encountering the topic for the first time.

Introducing Second Language Acquisition: Perspectives and ...

Welcome to this introduction to second language acquisition. What is second language acquisition (SLA)? In brief, this term refers to beginning the learning of another language after a first language (L1) has been acquired. Note that opinions vary about what might be considered the earliest age from which second language learning would be differentiated from simultaneous language acquisition or bilingual first language acquisition (two languages learned at the same time).

Introducing Second Language Acquisition

Written for students encountering the topic for the first time, this

is a clear and practical introduction to second language acquisition (SLA). Using non-technical language, it explains how a second language is acquired; what the learner of a second language needs to know; and why some learners are more successful than others.
