The History Of Saudi Arabia

The history of Saudi Arabia in its current form as a state began with its foundation in 1744, although the history of the region extends as far as 20,000 years ago. The region has had a global impact twice in world history. In the 7th century it became the cradle of Islam and the capital of the Islamic Rashidun Caliphate. From the mid-20th century the discovery of vast oil deposits propelled it into a key economic and geo-political role. At other times, the region existed in relative obscurity a
