Reichel, Comparative Criminal Justice Systems: A Topical ...

Introduction. Research on comparative criminal justice systems focuses on the

various ways political units attempt to maintain social order and accomplish justice. It is distinguished from comparative criminology, which focuses on crime patterns in two or more cultures and on testing—at the international level—theories about crime. It is also distinguished from comparative law, which includes private law and administrative law, as well as criminal law.

Comparative Criminal Justice Systems - Criminology ...

Comparative criminal justice is a subfield of the study of Criminal justice that compares justice systems worldwide. Such study can take a descriptive, historical, or political approach. It studies the similarities and differences in structure, goals, punishment and emphasis on rights as well as the history and political stature of different systems. It is common to broadly categorize the functions of a criminal justice system into policing, adjudication, and corrections, although other categori
