The term 'manual' or 'guide' both usually refer to a document whose main aim is to provide information or instructions. It is generally expected that guide are shorter, concise and more to the point than manual. A manual is expected to give more in-depth information and instruction than a guide. However, in practicality, the terms are often used interchangeably.

Appreciative Inquiry - The 4D Cycle. The very essence of Appreciative Inquiry can be captured in a 4D cycle. The foundation of this idea is that organizations tend to evolve in the direction they tend to study. An Appreciative Inquiry emphasises on an organization's positive aspects and its potentials, rather than weaknesses and loose points.
