Newly Digitized: Donizetti Vocal Scores. This selection of recently-digitized scores samples the library's large collection of works by Gaetano Donizetti (1797-1848), with operas spanning the late 1830s and 1840s, primarily composed for the Paris stage. The exceptions are the Neapolitan operas L'assedio di Calais, premiered at San Carlo in 1836, and Poliuto/I Martiri, banned in Naples in 1838, and not premiered at San Carlo for another decade.
