Dear Student, Here is a start and sample rubrics for curriculum guides for teaching students with intellectual disabilities. Good

luck. For helping students with disabilities learn effectively, a special education teacher will have to think out of the box and be highly creative in making the curriculum "stand out" to the special education students.

Curriculum Guides: Students with Intellectual Disabilities

The curriculum is designed to better prepare Indiana high school students for success in college and the workplace. Students who plan to attend colleges or universities should use the Core 40 curriculum as a guide to help them prepare. If the student knows in advance that he/she is interested in a particular college or specific program, the student should check with the college or university to see if there are any special requirements.
