Dance Designer Choreography Software - YouTube

Most of the time when you watch dancers perform, they're
 performing choreography. Choreography is written sequences of
 movement and the people who create those sequences are called

choreographers. If you've ever had an itch to create your own dance, there's probably a little choreographer in you just waiting to be set free.

Free Online Poster Maker: Design Custom Posters With Canva

The physical look of a show is decided on by the director (or choreographer for a dance work) in consultation with the

designer. The designer then researches the setting, often resulting in files of reference material from books, films, magazines, photographs, museums and galleries; from this emerges the production's 'world.' A design is produced for each set and character; the selected ...

Priya's Dance Design | Watch Mira, Royal Detective Videos

Dance is a performing art form consisting of purposefully selected sequences of human movement. This movement has aesthetic and symbolic value, and is acknowledged as dance by performers and observers within a particular culture. Dance can be categorized and described by its choreography, by its repertoire of movements, or by its historical period or place of origin. An important distinction ...

Dance - Wikipedia

Versions available on video/DVD or internet: yes; This dance was designed specifically for the 1986 Sports Aid Gala, the proceeds of which went to causes in need in Africa. It is not clear whether it was ever performed again thereafter, but the photo caption on page 76 of Fire on Ice (Wilson:1994) suggests that it was then incorporated into the World Tour, at least for its next visit to ...
