Anne McClintock (1995:1-4) describes a map drawn by a Portuguese trader, Jose de Silvestre, in 1590, and reproduced by Henri R. Haggard in his memoir. The map depicts the tra-

Colonialism and sexuality - Harvard University

During the colonial era, the global process of colonisation served to spread and synthesize the social and political belief systems of the "mother-countries" which often included a belief in a certain natural racial superiority of the race of the mother-country. Colonialism also acted to reinforce these same racial belief systems within the "mother-countries" themselves.

Colonialism - Wikipedia

Colonialism in the modern sense began with the "Age of Discovery", led by Portuguese, and then by the Spanish exploration of the Americas, the coasts of Africa, the Middle East, India and East Asia. The Portuguese and Spanish empires were the first global empires because they were the first to stretch across different continents, covering vast territories around the globe.
