How Do Medical Answering Service Jobs Help Doctors? Healthcare doesn't stop just because five o'clock hits. Patients might need support at odd hours of the day or night. However, it's unrealistic to expect that the doctor's office should be open 24/7. This is where medical answering services come into play.

These services do provide support 24/7 so that the hospital or office knows that their patients always have someone to get in touch with.

Traditional answering service providers answer calls for many types of businesses. Their agents may answer a call for a pizza delivery, a tow truck, a plumber, and then a physician. At The Doctors Answer we do not believe in this generalized model. We believe the medical community is too specialized and too complex to group them with other businesses.
