World Development Report 2012 Gender

Gender equality is at the heart of development. It's the right development objective, and it's smart economic policy. The World development report 2012 can help both countries and international partners think through and integrate a focus on gender equality into development policy making and programming.

World Development Report 2012 : Gender Equality and ...

The WDR 2012: Gender Equality and Development will focus on the evolution of gender equality across the world in the context of the development process.

The report will consider gender equality as a core development goal in itself, and will argue that gender equality matters for the pace of development.

Improvements in gender equality can generate gains in economic efficiency and improvements in other development outcomes.
