Created Equal: A History of the United States, Brief ...

The most famous line in the Declaration of Independence is "We hold these truths to be self-evident, that all men are created equal. . . ." But the Founders meant something very different by that phrase than most of us have been taught to believe. It was

written, of course, by a slaveholder—by Thomas Jefferson —and politically correct historians mock him, for that very reason, as a hypocrite.

REVEL™ for Created Equal: A History of the United States frames the American experience as the stories of various groups of men and women, all “created equal” in their common humanity, claiming an American identity for themselves. Presenting a rich historical analysis in a chronological framework, the authors challenge students to think critically about the ongoing struggles over equal rights and the shifting boundaries of inclusion and

acceptance that have characterized American history.
