Coaching groups is also different from coaching a team in a corporate environment. Team coaching is when all members in the group are focused on the same goal. But when you coach groups, individual members have their own goals although all members may be in a similar phase or timeframe in their life or business.

The Ultimate Guide to Group Coaching

With group coaching, you can sit back and let participants guide the process even more than you can with individual coaching. Step in when it brings value, by asking high-level questions, finding out what participants want to discuss, asking about insights, and confirming accountability between the current and next session.
